Introduction

Proudly serving food service, food manufacturing and retail customers for over 30 years

Committed to sustainability

Over 150,000 sq. ft. distribution space in Mississauga

State of the art temperature-controlled fleet of trucks and trailers, serving all of Ontario

6000+ SKUs (and growing) serving over 4000 customers

Leading edge fully integrated OMS, ERP, WMS and EDS technology

In-field sales team to support your growth.

Ontario's one-stop solution offering dairy, grocery, refrigerated and frozen products

Geographical Coverage

Did you know?

Even though Ontario is only 10% of Canada's total land area, it accounts for 40% of the total Canadian population!

GREEN INITIATIVES

Energy Efficiency Retrofits

These initiatives have enhanced energy efficiency, leading to significant reductions in emissions and a positive contribution to environmental sustainability.

GREEN INITIATIVES

Solar Panels

Currently operating at our administrative head offices and distribution warehouses, 2,500+ solar panels are generating more than 1.5 million kWh of electricity annually.

That's enough electricity to reduce carbon dioxide output by 822 tons in 20 years - equivalent to planting 362,000 trees.
