CJR

WHOLESALE

Introduction

Proudly serving food service, food manufacturing and retail customers for over 30 years.

Committed to sustainability

Over 150,000 sq. ft. distribution space in Mississauga

State of the art temperature-controlled fleet of trucks and trailers, serving all of Ontario
6000+ SKUs (and growing) serving over 4000 customers

Leading edge fully integrated OMS, ERP, WMS and EDS technology

In-field sales team to support your growth.

Ontario's one-stop solution offering dairy, refrigerated and frozen products.

Geographical Coverage

Did you know?

Even though Ontario is only 10% of Canada's total land area, it accounts for 40% of the total Canadian population!

GREEN INITIATIVES

Energy Efficiency Retrofits

These initiatives have enhanced energy efficiency, leading to significant reductions in emissions and a positive contribution to environmental sustainability.

GREEN INITIATIVES

Solar Panels

Currently operating at our administrative head offices and distribution warehouses, 2,500+ solar panels are generating more than 1.5 million kWh of electricity annually.

That's enough electricity to reduce carbon dioxide output by 822 tons in 20 years - equivalent to planting 362,000 trees.

Supply Chain Solutions: B2B Services

Demand planning and forecasting
Procurement and replenishment
Customer order management
Warehousing and distribution
Inventory management
Asset based transportation management
Credit management
Field sales and inside sales
Launching product innovations, Marketing
Import compliance, Value added services
KPI reporting, Continuous improvement
